

REPORT FOR JANUARY 2020

Hi and Happy New Year to all. Welcome back we are looking forward to a good year.

The trip to Canton Beach was a great success after a few mix ups, but all good. The lunch was good and they were happy to have us. We have booked for next year but a week later when all their greens will be available.

Glenbrook is our next trip, the coach is nearly full, with a few bowlers travelling by car, as they live out that way.

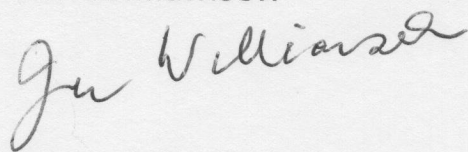

Good luck to all who are playing for pennants this year. Win lose or draw enjoy yourselves as that's what it's all about

Good to know Robbo is OK again.

There has been a change to the date for May at Rose Hill. It is now the 24th May. This leaves the 17th for those going to the State Carnival

Good Bowling to all
